Te Tangi a te Tūi

Te Tangi a te Tūi

*He karanga nō te kainga.
Pulling us heart first back to the
ngāhere.*

The Tūi soaks up the world around it and responds in song. Though beautiful, its tune is now a faint echo of what it once was when Aotearoa was blanketed in the ngāhere, flutes of patupaiarehe filled the trees and Māori alone walked gently upon their mother.

This collaboration between kaupapa Māori theatre company, Te Rēhia Theatre and circus theatre company, The Dust Palace, is an evocative narrative of love and loss between Māori and the natural world in the face of colonial impact.

*“Visually and emotionally powerful” -
Stir Vancouver*
